

## **Art Lesson “Bicycle for the Courier” for 5-7 years old**

### **Tasks:**

1. Developing child observation and the ability to recreate their impressions of the sporting day of the kindergarten.
2. Developing a sense of composition.
3. Get used to collective activity.

### **Warm- up**

A courier (a puppet for the theater) is coming to visit the group. He is sad because he lost his bicycle. Now he can't deliver the shipments.

### **Posting the lesson's topic**

The teacher offers children to help the courier by drawing his bicycle. The teacher shows a finished model and then demonstrates how to draw it step by step on the a white board (shows several options).

### **Workshops**

Children work independently following the steps or in his own way. Painted with black pencil.

### **Evaluation of the work and arrangement of the exhibition**

At the end of the lesson the works are arranged in an exhibition. The courier asks the kids about the parts of the bike. He is pleased with the children's works and he thanked them.
