

## History lesson scenario

Topic: Tour de Pologne - the history of cycling .

Class 8

Objectives:

- learning the history of tour de Pologne contest.
- gaining the knowledge about famous Polish cyclists: Feliks Więcek, Bolesław Napierała, Stanisław Grzelak, Czesław Lang, Marian Więckowski, Rafał Majka
- getting to know the routes of Tour the Pologne
- interesting monuments of Poland on the route

Lesson flow:

Explanation:

- the meaning of the term „tour de Pologne”
- the history of the beginning of the race - mini lecture
- organizations promoting cycling in the Second Polish Republic
- Polish winners of the general classification from 1928 to 2019 - silhouettes of athletes
- route - displayed on the projector

Students divided into groups search for interesting monuments along the route (they use tablets and google maps). Each group creates a separate section of the race route, taking into account interesting places and monuments. The prepared materials are presented in the class forum.
