

Let's discover history by riding the bike

Objectives

1. To use the bicycle as an unpolluted and ecological means of transport;
2. To widen knowledge of the local history:1 - Marghiloman Park, Marghiloman Palace and the Cultural Centre there;

2 - Vergu Manaila House

3 - County Library

4 - County Museum

5 - Crang Park

Activities in the classroom:

- Instructing the students;
- presenting the bicycle
- presenting the route

The activity

- riding the bike to the first point of the route- Marghiloman Park
- Discussing about its history (art, literature, economy related to this monument)
- riding the bike to the other points of the route

Evaluation

- in Crang Park- the last point of the route
- feelings and opinions about the bike ride
- processing of data, pictures, videos for the project portfolio
