

History lesson scenario

Topic: World war II

Class: 8

Objectives: -to revise most important events

-to initiate physical activity

-to improve learning skills

STAGE 1 -outdoor activity playground or gym

Teacher prepares the most important dates during the WWII and cards with the appropriate events. The pupils are divided into four groups (more or less). The years are written on the whiteboard. Each group gets 12 (more or less) cards.

STAGE 2

Now the students can see the dates. They discuss and one pupil has to ride his/her bike and match the date to the events. One card can be taken by time.

e.g. 6 June 1944 - invasion of Normandy

25 April 1945 -Elbe Day

23 August 1942 -the Battle of Stalingrad

9 November 1938 -the November Pogrow(Kristalnacht)

7 September 1940 - the first bombing of London

26 April 1937 - the bombing of Guernica

And etc.....

STAGE 3

After the task is completed teacher checks their results. The winning team will be the one who completes more matching pairs accurately. The pupils see their mistakes and correct them.
